## Water Main Replacement Planned for Louisiana Drive in Wards Corner

Work set to begin in November

Dear Valued Customer,

The City of Norfolk Department of Utilities is pleased to have scheduled a \$300,000 infrastructure improvement project in your neighborhood. The project area (shown on the map to the right) will receive a new water main and water services.

The City's contractor, T.A. Sheets, is planning to begin work Wednesday, November 28, 2012 and be finished within 2 to 3 months..

The City and our contractor will do our best to minimize the unavoidable disruptions associated with the construction.

If you have any questions regarding this project, please do not hesitate to contact the City's on-site construction inspector, Melisa Barry. She can be reached by cell phone at 613-9225 to respond quickly. You may also contact the project manager, Rick Dempsey, at 664-6719.

The Department of Utilities appreciates your patience during this project and looks forward to providing you with improved water services.

Sincerely,

  
Kristen Lentz

Director of Utilities
